SAVE MONEY, SAVE THE EARTH

Together, we can reduce food waste

While saving money

One third of all the food produced globally goes to waste. These unwanted food is the single largest contributor of waste that end up in landfills, and unfortunately are not properly broken down, leading to the increase in the Earth's carbon footprint. At Grabhub, we are passionate about reducing the amount of food that goes to waste. Join us today in this fight by downloading our app from your app store. We will deliver you and share discounted grocery items that are still safe to consume!

LEARN MORE

How Grabhub Works

Can you make an account? Let us get you started!

Find nearby stores

Start by downloading the Grabhub app from your mobile app store, join us in reducing waste by creating an account. Don't forget to indicate your location or enter an address to find local stores nearby.

Shop and Pay!

Visit any of the stores to shop grocery items with as much as 70% discount on the original price! Add the items to your shopping cart and proceed to securely check out using your credit card, debit card or cash.

Pickup from store

Show up at the store with a smile because your order has been pre-packaged and is waiting for you. Show the customer service staff your order confirmation and receive your order.

FAQs

I can't find a store in my location?

I can't have someone to pick my order?

How do I add payment card?

Can't pay at the store?

How can I cancel my order?

Can't pick up my order at any time of my choosing?

How do I contact support?

I've contacted you, but haven't received an answer yet?

How do I delete my account?

REGISTER ACCOUNT

FORGOT PASSWORD

Welcome to the online application system offered by **Student Counseling Services (SCS)**. Applying to study abroad can be a confusing process with many different requirements and components. If you are a student planning to study abroad and want to submit a formal application with SCS along with documents, please use this portal to submit the application. You will be able to track your application online and receive SMS and email alerts on the submitted application.

HOW TO APPLY?

In this video, we'll give you an overview of applying to a study abroad program.

Login to your account or if you are new then **register your account**

Click on the **Student** option

Fill in the basic information, make sure you enter your phone number with the code, and **Sign up**

Once you have successfully created your account you can now **login** using the information you provided.

Click on **add new application** to begin a new application.

Please give us as much **information about you** as possible. Make sure **all fields** and questions not tagged as optional **are completed**.

You can upload your documents related to studying abroad easily by choosing the related scanned file from your device.

Note that your data will only be shared with trusted counselors needed to process your application. So only you can access your records.

Lastly, click **Submit application**.

Q&A Got any questions?

Find our contact details online: www.myscs.org

If you want to submit an initial inquiry only, see SCS panel Institutions and countries at www.myscs.org/countries and use the online inquiry form or WhatsApp/Call at 0321 8425011

HOW TO PAY?

For payment to SCS see www.myscs.org/pay and refunds can be requested at <http://www.myscs.org/refund/>

If you want to contact the nearest SCS office & visit for a face-to-face meeting with one of our student counselors see <https://myscs.org/contact/> find the nearest office to your city.

We wish your good luck with your study abroad plans!

Leading domestic pureplay, multi industry specialty chemicals distributor in India.

About Us

0+
Years

CJ specialty Chemicals is part of the CJ Shah Group and was established in the year 2008 to mainly focus on the business of specialty chemicals. Under the leadership of the managing directors, Mr. Dharmesh Mange and Mr. Ashish Shah, CJS has achieved numerous milestones by partnering up with various global brands in the specialty chemicals industry. At CJS, we are committed to meeting the needs of our customers and providing them with enhanced technical support in order to support their businesses.

Why CJS?

Our strong and direct relations with manufacturers ensure the elimination of intermediaries and lead to uninterrupted supply at the best pricing.

Our expertise in chemicals helps our clients develop new products and applications to improve their product quality and cost structure. It also helps us advise them on the right time to purchase chemicals based on forecasted pricing and market dynamics. We can provide a wide range of products from a plethora of suppliers and always have inventory ready due to our long-established relations and global access.

Mission And Vision

C.J Specialty Chemicals is part of the CJ Shah Group and was established in the year 2008 to mainly focus on the business of specialty chemicals.
